## Banner Sponsorship

Fall 2023-through Spring 2024

The Timberwolves Soccer Club is running a banner sponsorship program for the Fall 2023-through Spring 2024. We are soliciting businesses, families, individuals, and others for a “donation” to our program. This donation will be used to help keep the costs down for our boys and girls, U9-U15 from the surrounding New Hampshire and Massachusetts communities. Some ways this will help our team include, but not limited to, the following: health and safety measures for players and coaches, coaches training, game balls, practice balls, scholarships, field maintenance tools and equipment, and much more.
